Approximate size of the fire

Date/s of burn

3. Details of backup facilities to contain any unregulated fires should they occur

Fire Breaks Fire Appliance Helicopters Fire Trailer Fire Fighting Equipment

Machinery Water Supply

Other (specify)

4. For Controlled Burns

Topography Flat Contoured Steep Very Steep
Aspect (Facing Direction) North South East West

Fuel on Surround Areas (Fuel means vegetation, eg dry grass)

North South
East West

5. Declaration

I agree to follow any conditions imposed by the Rural Fire Officer, as listed on the fire permit.

I understand that being issued a fire permit does not exonerate me from possible legal action, or cost recovery by The Fire Authority if they are called to a fire that I am responsible for.
