REASONS

1. This is an application by Te Kuiti Squash Rackets Club Incorporated for a special licence for Fire Brigade Honours Evening to be held at Les Munro Centre, King Street East, Te Kuiti on Saturday 29 September 2018, 6.30pm to 1.00am the following day. This application was received more than 20 working days prior to the event as required by section 137 of the Act.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The purpose of the Act is to put in place a new system of control over the sale and supply of alcohol (s 3). The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - b) Is the applicant suitable?
 - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
 - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?

g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?

h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?

i) Does the event comply with the Waitomo District Local Alcohol Policy?

5. Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.

Should the special licence be granted?

6. The Te Kuiti Squash Rackets Club Incorporated is organising this honours evening on behalf of the Te Kuiti Volunteer Fire Brigade. The club is hiring the Les Munro Centre from the Waitomo District Council. The applicant originally advised that approximately 250 people would be attending the event, however the number of attendees has now been confirmed to be 160.
7. The licensing committee is satisfied that Te Kuiti Squash Rackets Club Incorporated is a suitable applicant to hold a special licence because the club has previously hosted a special licence event with no adverse issues reported. As requested by the licensing committee, there are two certificated Duty Managers who are responsible for ensuring compliance with the Act. This is important given the size and length of the event and will enable each duty manager to take a break during the event. In addition, volunteer staff members from the club, who have participated in six monthly alcohol management refresher training, will be assisting the Duty Managers.
8. The proposed trading hours are reasonable, given that there are sufficient duty managers and that the bar will be closed between 8.00pm and 9.00pm while the speeches and presentations are happening. In addition, following a request by the licensing committee, additional food is being provided with pass around nibbles from 6.30pm to 8.00pm and an extensive super from 9.00pm ongoing, through to 1.00am.
9. The licensing committee is satisfied that suitable measures will be taken to ensure that alcohol is sold and supplied responsibly, and that harm caused by inappropriate or excessive consumption of alcohol is minimised. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties.
10. The event complies with the Waitomo District Local Alcohol Policy.
11. The licensing committee is satisfied that the applicant will provide sufficient low alcohol and non-alcoholic refreshments. Free water will be provided at the bar. Assistance with transport home from the premises will be provided.

Conclusion

12. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.

13. Therefore, the application for a special licence is granted.
