REASONS

1. This is an application by Awakino Bowling Club Incorporated for a special licence for a series of club bowling tournaments to be held at their club, Brisco Street, Awakino. This application was received more than 20 working days prior to the event as required by section 137 of the Act.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The purpose of the Act is to put in place a new system of control over the sale and supply of alcohol (s 3). The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?

- b) Is the applicant suitable?
- c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
- d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
- e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
- f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
- g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
- h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
- i) Does the application comply with the Waitomo District Local Alcohol Policy?

5. The licensing committee may refuse a special licence even if there was no objection to the application (s 144). Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.

Should the special licence be granted?

- 6. The general nature of the events are bowling tournaments. Approximately 20- 100 people are expected to attend each of the events. The licensing committee is satisfied that the proposed trading hours are reasonable.
- 7. The Licensing Inspector reports that the application does comply with the Waitomo District Local Alcohol Policy.
- 8. The licensing committee is satisfied that Awakino Bowling Club Incorporated is a suitable applicant to hold a special licence. The club is currently incorporated and has applied for and been granted a total of 15 special licences since 2003. There is 1 certificated Duty Manager who is responsible for ensuring compliance with the Act. All staff receive training in the requirements of the Act.
- 9. Awakino Bowling Club Incorporated has requested that if the certificated duty manager for this event is unable due to illness or unforeseen circumstances, that exemption be granted from the requirement to appoint a duty manager (s 213). These are a series of relatively small events and are considered lower risk. The Licensing Committee is confident that Awakino Bowling Club Incorporated is capable of managing it without a certificated duty manager should the need arise. The licensing committee is satisfied that the applicant will have trained bar staff on the premises that are aware of their responsibilities and obligations under the Act. Finally, Gail O’Keefe will take responsibility for the management of the event and ensure that it complies with the Act.
- 10. The licensing committee is satisfied that suitable measures will be taken to ensure that alcohol is sold and supplied responsibly and that harm caused by inappropriate or excessive consumption of alcohol is minimised.
- 11. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The entire premises is to be a restricted area.

12. The licensing committee is satisfied that the applicant will provide sufficient food, low alcohol and non-alcoholic refreshments. Free water will be provided at the bar. The use of taxi services will be promoted as a safe option for transport home from the event.
13. The conditions for this licence are consistent with licences issued since the commencement of the Sale and Supply of Alcohol Act 2012 and now include information about the statutory obligations to display signage.

Conclusion

14. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.
15. Therefore, the application for a special licence is granted.
