REASONS

1. This is an application by Mark Steven Ammon for a special licence for the Piripiri School and Fish City Annual Fishing Competition to be held at the Coast Community Recreation Hall and Sports Centre on 26 January 2019. The application was filed more than 20 working days prior to the event as required by section 137.
2. The Liquor Licensing Inspector and Medical Officer of Health have no objection to this application for a special licence (s 141). Police have not filed a report in this instance. Accordingly, this application is decided on the papers (s 202).
3. The purpose of the Act is to put in place a new system of control over the sale and supply of alcohol (s 3). The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - b) Is the applicant suitable?
 - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
 - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
 - g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
 - h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
 - i) Does the application comply with the Waitomo District Local Alcohol Policy?
5. The licensing committee may refuse a special licence even if there was no objection to the application (s 144).

6. Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.
7. **Should the special licence be granted?**
8. The general nature of the event is a fishing competition. Up to 100 people are expected to attend the event. It is an annual event and entry is by ticket only. The licensing committee is satisfied that proposed hours are reasonable.
9. The Licensing Inspector reports that the application does comply with the Waitomo District Local Alcohol Policy.
10. The licensing committee is satisfied that Mark Steven Ammon is a suitable applicant to hold a special licence. Mark Steven Ammon is the secretary of Coast Community Recreation Hall and Sports Centre Incorporated and is a justice of the peace. Mr Ammon was former Mayor of Waitomo District Council. Additionally, Coast Community Recreation Hall and Sports Centre Incorporated has been granted a number of special licences in the past and has demonstrated compliance with the Act.
11. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties.
12. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The main hall and outdoor verandah is to be designated as a supervised area.
13. Mark Steven Ammon does not propose to have a certificated duty manager at this event. However, the licensing committee is satisfied that an exemption may be granted from the requirement to appoint a duty manager (s 213). This is a small private function and Mark Steven Ammon is capable of managing it without a certificated duty manager. The licensing committee is satisfied that the applicant will have trained bar staff on the premises that are aware of their responsibilities and obligations under the Act. Finally, Stuart Child and Colin McQuilin will take responsibility for the management of the event and ensure that it complies with the Act.
14. The licensing committee is satisfied that the applicant will provide sufficient food, low-alcohol and non-alcoholic refreshments. Free water will also be provided. The use of taxi services will be promoted as a safe option for transport home from the event.

Conclusion

15. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.
16. Therefore, the application for a special licence is granted.
