**IN THE MATTER** of an application by Sharon Te Ngare pursuant to s.224 of the Act for the renewal of a manager's certificate.

**DECISION OF THE COMMITTEE**

The Waitomo District Licensing Committee has before it an application by Sharon Te Ngare for the renewal of managers certificate number GM019/21/2011.

Reports have been received from the Police and a Licensing Inspector. No objections have been filed in respect to this application, and it is therefore determined on the papers by the Chairperson alone in accordance with section 191(2) of the Act.

No concerns have been raised in respect to the criteria outline in section 227 of the Act, in that reporting agencies believe the applicant is a suitable person to continue to hold a managers certificate. The applicant has worked at Waitomo Club, the associated premises, for eight years and has not come to the attention of enforcement agencies in that time.

The applicant holds the prescribed qualification. Therefore the Committee can renew the existing certificate for the full period of three years. However it is noted the numbering of the current certificate does not conform with the current numbering system required by the Alcohol Regulatory and Licensing Authority, so a replacement certificate should be issued.

Been satisfied as to the matters to which the Committee must have regard in s.227 of the Act the application is granted. The replacement and renewal certificate can be issued immediately.
