- b) If reference is made in the schedule to actual staff time, it will be charged in accordance with the relevant hourly charge-out rates;
- c) The charge-out rates for Council officers and for mileage will apply to all matters listed in the Schedule so that:
  - o if the fixed charge which has been paid in advance is greater by more than \$20.00 than the actual and reasonable costs incurred by the Council relating to that application, a refund will be given when those costs are finally assessed; and
  - o if the actual and reasonable costs incurred by the Council relating to that application are inadequate to enable the Council to recover its actual and reasonable costs then additional charges calculated for staff time at the same rate will be payable (as well as any other items of additional charge which may have been incurred).

**Additional fixed fees**

At any time after the receipt of an application and before a decision has been made the Council may fix a fee pursuant to Section 36(1) of the RMA which is in excess of the fixed charge set out in this schedule.

In that event:

- a) The Council may require that no further action will be taken in connection with the application until that fixed fee is paid in accordance with Section 36(7) of the RMA; and
- b) May also, pursuant to Section 36(3) of the RMA make additional charges.

**Remission of fees**

Staff with delegated authority may decide to reduce any charges following the criteria of Section 36(4) (b) of the RMA.
