consumption of alcohol is minimised (s 4).

4. In deciding whether to issue a licence the District Licensing Committee must have regard to the criteria in s 105 of the Act. Therefore this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) Is the applicant suitable?
 - b) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - c) Is the design and layout of the premises suitable?
 - d) Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - e) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of licence? Is the amenity and good order of the locality already so badly affected by the effects of the existing licenses that it is unlikely to be reduced further by the effects of the issue of the licence or is it desirable not to issue any further licenses?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law?
 - g) Have the Police, Inspector and Medical Officer of Health raised any relevant considerations?
 - h) Does the application comply with the Waitomo District Local Alcohol Policy?
