The Waitomo-Ōtorohanga Community Health Forum meet every three to four months in Te Kūiti or Ōtorohanga. These forums are open to the public and are an opportunity for Te Whatu Ora to hear from local practitioners, organisations, consumers, and social service providers on matters and activity of interest to the local community. Representatives from the Waikato team at Te Whatu Ora are in attendance, and the team provides brief updates on key matters of interest to the community.

Come along and share your knowledge and experience as we work together on these matters. These meetings are open to everyone!

## MĀNAWATIA A MATARIKI

Matariki, is a time of reflection. It signals a time to remember those who have passed, celebrate the present and plan for the future. Heartlands Te Kūiti turns one in July. Aotahi is proud to deliver this service within the Waitomo and Ōtorohanga districts. As we reflect on the last 12 months, we have helped over 500 whānau with access and/or support to government and non-government agencies and information. We have also connected with over 100 representatives from various agencies and organisations, building relationships and collaborating services to bridge our community needs. Check out our Facebook page for our birthday giveaways. And yes, we will continue to provide free support to anyone. Ngā mihi xx
