I wish to speak to Council about my submission

No

Introduce a targeted or differential rate on the District Roding Rate -

Which option do you prefer? :

Option 1

My comments on this proposal

Like many other out of area entities, we chose many years ago to invest in forestry options in the Waikato/Waitomo region. Considerable economic benefits will have accrued to the area over many years through extensive forest planting and maintenance activity, and it is unconscionable that at this late harvest stage Council should signal an intent to penalise those who have made investment in the industry to mitigate what were, at the outset, wholly foreseeable roading costs.

Te Kūiti flooding remedies

Option 1 - Status quo - low level investment, small scale improvements

My comments on Te Kūiti flooding remedies

Funding and future of our Rural Halls - what should we do?

Option 1 - Status quo. Minimal rate funding with no provision for required repairs

Your comments on the funding and future of our Rural Halls

Elder persons housing - how should we fund it?

Option 1 - Status quo - ratepayers subsidise elder persons housing

Elder persons housing - is Council the best provider for elder persons housing?

Option 1 - Status quo - Council continues to own and operate elder persons housing

Your comments on elder persons housing

Update the Te Kūiti Stormwater Rating Area

Option 1 - Status quo - Keep the current rating area

Your comments on updating the Te Kūiti Stormwater Rating Area

Simplifying the rates structure

Option 1 - Status quo - continue with current rates structure

Your comments on simplifying the rates structure

Conversation: Impact of retaining 3 Waters

I agree with keeping the status quo with investing “as and when needed”

Your comments on our approach to how we will deliver our 3 Waters services

What do you think about our plans for projects and activities?

What do you think about our plans for finances and rates?

Do you have any other feedback on our Draft Long Term Plan 2024-2034? (for example our landfill and sludge disposal)

Need more help?
