Proposed Waitomo District Plan - Hearing – Subdivision

1. Spark, Chorus, One NZ (formerly Vodafone), Connexa and FortySouth in relation to the subdivision chapter submitted and presented evidence requesting amendments to SUB-R18.
2. The Section 42A Report rebuttal evidence by C O'Callaghan dated 1 July 2024 addresses the telecommunication companies' submission by the recommendation amendments to SUB-R18 consistent with those requested in our evidence for this hearing.
3. On the basis of the above, the Companies request that the Hearings Panel in its decision adopt the changes requested to SUB-R18 in the submission and evidence which is supported in the s42A Report rebuttal evidence.
4. We are available to answer any queries or questions either in writing or via a videoconference that the Hearing Panel may have, should the Hearing Panel not agree with the recommendation made by the Council Officer.

Yours sincerely

Graeme McCarrison
