I wish to speak to Council about my submission

No

Introduce a targeted or differential rate on the District Roding Rate -

Which option do you prefer? :

Option 1

My comments on this proposal

I believe introducing a specific charge for forestry roading will reduce forestry investment and hence reduce our ability to limit green house gases. Forestry plays an important role in reducing NZ CO2 output and should be encouraged. Higher roading charges will discourage investment

Te Kūiti flooding remedies

Option 2 - Build retention ponds, storm- water modelling and capacity improvement planning long term (preferred)

My comments on Te Kūiti flooding remedies

Storm water modelling is critical to identify solutions available to help remedy flooding

Funding and future of our Rural Halls - what should we do?

Option 2 - Transfer ownership of Council halls to community groups (preferred)

Your comments on the funding and future of our Rural Halls

Let local community groups take over responsibility for maintaining assets which benefit their communities

Elder persons housing - how should we fund it?

Option 2 - Council increases rental levels (preferred)

Elder persons housing - is Council the best provider for elder persons housing?

Option 2 - Explore options to transition elder persons housing to a provider (preferred)

Your comments on elder persons housing

Update the Te Kūiti Stormwater Rating Area

Option 2 - Extend the Te Kūiti Urban Rating Area (preferred)

Your comments on updating the Te Kūiti Stormwater Rating Area

Simplifying the rates structure

Option 2 - Simplifying the split of rating costs between General Rate and UAGC. (preferred)

Your comments on simplifying the rates structure

Conversation: Impact of retaining 3 Waters

I agree with keeping the status quo with investing “as and when needed”

I agree with installing water meters

Your comments on our approach to how we will deliver our 3 Waters services

What do you think about our plans for projects and activities?

What do you think about our plans for finances and rates?

Do you have any other feedback on our Draft Long Term Plan 2024-2034? (for example our landfill and sludge disposal)

Need more help?
