Do you have any feedback on the overall increases to our fees and charges?

I find it absolutely preposterous that you are considering raising the Roothing Rate (Forestry Exotic) by nearly twelve hundred percent. That is totally unacceptable and unwarranted.

Do you have any other feedback on the fees and charges?

I am a dairy farmer in the Thames/Coromandel District Council who purchased a Share in the Arapito block partnership in Greenplan Forestry Ltd. Your proposal to lift the Roothing Rate so astronomically is ill considered. This proposal will significantly increase the annual cost and final returns from my long term green investment with Greenplan Forestry Ltd. If my local council was proposing such rate increases that would affect my business so detrimentally they would find my tractor parked across their building entrance!!
