What do you think about our plans for projects and activities?

It is tough times and you are making them tougher for everyone. you are not helping anyone. Start thinking about the community and families that are struggling instead of what you want to appear to look like. This is not good enough. I have lived here for over 20 years. and as for the roading you had time to plan and maintain the roads, something in which you don't do. I would like to speak to the person behind this and this is not good enough. You can't charge ridiculous amounts of money to cover something you didn't plan for.

What do you think about our plans for finances and rates?

selfish
