I wish to speak to Council about my submission

No

Introduce a targeted or differential rate on the District Roding Rate -

Which option do you prefer? :

Option 1

My comments on this proposal

We are investment forestry block owners with Greenplan. Trucks that are going to be used for harvesting already pay Road user charges and are only using the road for our blocks once in every twenty five or so years when our forest comes into maturity. It is unfair to charge annual usage when that is not the case and also RUC already paid.

Te Kūiti flooding remedies

Option 1 - Status quo - low level investment, small scale improvements

Conversation: Impact of retaining 3 Waters

I agree with keeping the status quo with investing “as and when needed”

Your comments on our approach to how we will deliver our 3 Waters services

What do you think about our plans for projects and activities?

What do you think about our plans for finances and rates?

Do you have any other feedback on our Draft Long Term Plan 2024-2034? (for example our landfill and sludge disposal)
